

the River Restoration Centre

Working to restore and enhance our rivers

Bulletin

Last chance to submit an abstract for next year's RRC conference - deadline is 14th Oct [click here](#)

CELEBRATING SUCCESSES AND ADDRESSING CHALLENGES IN RIVER RESTORATION

The 5th European River Restoration Conference brought together over 300 delegates to discuss the past, the present and the future. A [draft statement](#) summarises proceedings. Download [other outputs](#) & [photos](#)

HOMERSFIELD SLUICE REMOVAL AND RESTORATION

The removal of vertical lifting gates and the creation of a riffle-pool sequence on the Waveney has led to improvements in the ecology and geomorphology [Press release](#)

REMARKABLE RECOVERY IN WILD FISH NUMBERS

Following restoration of the River Medina in the Isle of Wight, a recent electrofishing survey has shown a remarkable recovery in wild fish numbers [Press release](#)

RRC would like to thank our core funders for their continued support
